

For Haliburton

Ontario Place plans Centennial Celebration

In co-operation with the Haliburton County Council Centennial Committee the Chamber is pleased to announce that there will be a Haliburton County Centennial Day, at Ontario Place in Toronto on Saturday May 25th, 1974.

It is up to us, the residents of Haliburton County to provide appropriate talent sufficient for a possible 10 hour show at the "Forum". Plans are in the formative stage and we are open to ideas and suggestions from service clubs, students, and any individual in the County. The Scouts Cubs and Guides could look after the ushering at the Forum for the day.

At the moment we are hopeful of help in a talent way from the Legion Pipe Band, the Centennial Choir, the Glee Club, School of Fine Arts, Haliburton Hockey Haven, and others.

We not only require involvement, but also attendance from everyone from the County, that will attend and take others to Ontario Place in Toronto on May 25th. At a later date we will be able to comment further on the availability of Bus trips etc.

So, please if you know of talent we can use or suggestions relevant to the Haliburton County Centennial Day, call 286-1760.

Streakers attend rally

A snowmobile rally was held at Gooderham on

Sunday afternoon on Pine Lake. The rally was sponsored by the Gooderham hockey club.

Man injured

A Downsview man was treated and released at Ross Memorial Hospital after his car collided with a pole on County Road 16 miles east of Emily Park Wednesday evening. Police identified the driver of the car as Jeffrey Donsky. No estimate of damage was available.

Minden OPP report the recovery of a car which was stolen from Harrow, Ontario. The police received a call from Gordon Cressey of Toronto, from his cottage at Coleman Lake who notified them of a stolen car on his cottage road.

Mr. Cressey had also apprehended the two men who were driving the car. Minden OPP were unable to say how Cressey knew the car was stolen. The Harrow OPP were contacted and the owner is expected to come up today to pick up his car.

A good crowd was in attendance and many races were enjoyed through the afternoon.

Halfway through the races a streaker was seen running across the race track in his birthday suit and a paper bag over his head.

We also had a half-streaker who went around the track in a Raider snowmobile donated by the Mountain View Lodge and Tavern in Gooderham.

A booth was also set up and hot drinks were served with hot dogs, and sandwiches.

We would like to take this opportunity to thank all the hockey players and the people who worked so hard to make this the great success it turned out to be.

We hope this could be an annual event as so many people enjoyed the day.

In semi-finals

Haliburton Huskies edge Stayner 11-9

The Haliburton Travelways Huskies opened the All-Ontario Semi-final series here last Saturday night against Stayner Siskins and came away with a 11-9 victory to take a one game lead in the seven-game series.

Roger Bain opened the scoring at the seven-second mark of the first period and added two more before the end of the period while Rick Wood also scored once. Stayners Greg Conn scored twice and Jim Halliday scored the lone Stayner goal.

Tim Curry scored two goals within 14 seconds of the third period to give the Huskies a four-goal lead. The fast skating Stayner team narrowed the margin to one goal or goals by Blair Gordon, Rick Coker, Greg Conn and Rick Gowan. Rick Wood scored his second of the night and Larry Robinson got what proved to be the winner at 18:20 of the final period. Tim Curry added his third of the night at 19:22. Roger Bain also had three assists to go along with his four goals.

A total of 14 penalties were handed out during the game - eight to Haliburton and 6 to Stayner.

The Huskies play in

Stayner on Monday night with the third game back here this Saturday night.

The winner of this series will meet the winner of Belmont-St. George series for the All-Ontario Junior "D" Championship.

Streaker at game

Haliburton's second streaker made the news on Saturday night when he made an appearance at the Junior D hockey playoff game at the Haliburton Arena.

The male streaker hit between the first and second periods clad with a belt around his waist a hat and of course a pair skates. He made his entrance onto the ice from one of the front exit doors skating in full flight down the ice surface and out the back of the arena through the door way which was open for the machine which floods the ice.

As for the hockey game itself the Haliburton Travelways Huskies won a thrilling 11-9 victory over Stayner in the first game of their best four-out-of-seven semi-final play-off round.

Doug Campbell manager of the Ontario Hydro, Minden area will be the guest speaker at the regular meeting of the Haliburton Rotary Club at the United Church this Thursday night March 28. Mr. Campbell is also president of the Rotary Club in Minden.

Given Red Cross award

Miss Brenda Ripley, daughter of Mr. and Mrs. Eugene Ripley, received both her Red Cross and Royal Life Saving Society, pin and badge, for instructor qualification and life guarding at the Peterborough Y.M.C.A.

During her week-long course, Brenda was the guest of Professeur Nind and family in Peterborough.

Minden club plans skating Carnival

News Letter

The Haliburton Travelway Huskies are at present battling it out in the playoffs. The local boys are a good junior hockey club and we wish them the best of luck as they work their way to what we hope will be a hockey championship for Haliburton.

Did you know that the Ontario Society for Crippled Children's five summer camps provide the largest specialized camping program of its kind in the world to more than 1,000 handicapped youngsters each year? They need your help and you can be of help by giving your donation to the Easter Seal Campaign which is now in progress.

Quite a number of dogs are still running loose in the village. The local By-law states that they are to be tied up. It's just about time that these owners who are letting their dogs run at large were hit with some stiff penalties.

It was sure quiet around the village last week as many people took the opportunity of going away for a trip.

We noticed a sign in the Parish Hall of St. George's Anglican Church at Haliburton which we thought was well worthwhile passing on to our readers. It went something like this. If you have a bad heart there's two things you should not do. Do not walk up stairs or run down people.

Each month a draw is held at the Royal Canadian Legion at Haliburton for a prize of \$75.00. The third draw held at the Royal Canadian Legion at Haliburton for a prize of \$75.00. The third draw held this month was won by Mr. Murray Fearrey of Haliburton. The lucky ticket was No. 285. The next draw will take place at the April meeting of the Royal Canadian Legion Branch 129.

Spring could be a little late this year. Can you imagine it was 20 below zero in Haliburton on Monday morning. That must be some kind of a record for this time of year.

In last week's issue in the names of patients at the Red Cross Hospital in Haliburton we omitted the names of Mrs. Colleen Jerome and baby boy.

Patients at the Red Cross Hospital in Haliburton this week are as follows. Mrs. Margaret Ashman, Mrs. Sophia Ball and Mrs. Mary Priest all of R. R. #1, Haliburton, Br. Grenville Stamp, West Guilford and Mr. George Stephenson, Haliburton.

Meeting called to order by chairman Alex McGregor. The minutes of the November meeting were read. Moved by Len Evans, seconded by Bill McKenzie that the minutes be adopted as read.

A discussion regarding the Forest Products day presentation at the area Secondary Schools with final arrangements and plans being completed.

The annual task of the election of officers was then attempted with the following results: Nominations opened for chairman and vice chairman, moved by Ed Mumford, (for Barry Martin) seconded by Len Evans that Bruce Gibbs be nominated for chairman Carried. Moved by Peter Freymond, seconded by Len Evans that nominations for chairman be closed, Carried. Moved by Len Evans, seconded by Dave Anderson that Bill McKenzie be nominated as vice chairman, Carried. Moved by Peter Freymond, seconded by Ed Mumford that nominations for vice

chairman be closed, Carried. Moved by Tom Coghlan, seconded by Peter Freymond that Dave Anderson be nominated as Secretary Treasurer, by closing the meeting, Carried.

The following are the elected officers for 1974: Chairman Bruce Gibbs; Vice Chairman Wm. MacKenzie; Secretary Treasurer Dave Anderson. A vote of thanks on behalf of the committee members to the outgoing officers for their efforts in their positions this past year.

Next order of business, membership fees, the need for additional funds to pay the accounts when due would require one of two things, increase membership fees or appeal to all members for an additional donation, after a thorough discussion the later was agreed on.

Len Woito gave a very interesting and timely presentation of his wooden man, made from a spruce log (with chainsaw only) with attached equipment and slogans which reads:

A letter was read from Bancroft District Chamber of Commerce regarding a proposed LOGGING WEEK END and it was decided to ask the Chamber to meet with us at a future meeting.

Also a letter from Dick Ewalt, President of F.P.A.P.A. was read regarding a suggested change in the Workmen's Compensation Act regarding the loss of the right to appeal, a suggestion was made that we forward a letter of objection to the W.C.B. on this, but a decision was not made and should be brought up at our next meeting. Moved by Peter Freymond, seconded by Len Evans that the meeting adjourn. Next regular meeting April 2, 1974 at 7:30 p.m. at Ye Old Barn Restaurant meeting room and we hope to have as our guests some of the area Doctors.

Goose snared by accident

Nearly everyone has heard the story of the golden goose which periodically appears to be in imminent danger of being killed...And, while this is a story about a goose, it isn't about a golden one although it was rescued from almost certain death.

The people involved must forever remain anonymous because some of the circumstances surrounding the story might get them in trouble.

The story was born on the shores of a Haliburton high-lands lake where a resident had set out a line with a minnow attached. In the early hours of the next morning the line-setter and his wife were aroused by the

agitated honking of a goose.

Following the direction from which the honking was coming, a goose was discovered all tangled up in the line which was coiled securely about its neck. Its mate had sounded the alarm and flew off as the couple came on the scene.

Freed of its entrapment, the goose was reluctant to take off into the wintry blue yonder, made itself comfortable in the arms of its new found mistress, draped its neck over her shoulder and accompanied her to the house.

Only when it was taken to open water in an adjacent lake did the big bird fly off in search of its mate.

Centennial Corner

CENTENNIAL CELEBRATIONS

A Committee of County Council was appointed in January 1973 to prepare for the Centennial of the Provisional County of Haliburton. A logo was designed for use as a theme. Centennial County letterhead was printing, with municipalities following suit for promotion throughout the County. Bumper stickers are available free, and also name badges for group meetings or conventions.

"In Quest of Yesterday" by Nila Reynolds was published as a Centennial Edition with additional pictures, index and appendix, and is selling for \$5.95 at stores throughout the County, the Public Libraries, and to date stocked by books shops in Lindsay, Peterborough, Bracebridge, and Cobalt. It is believed this is the first time public demand has warranted the third printing of a County history.

Within a week decals of the County Crest in colour will be available at a nominal price. Advertisements will list the stores where these will be available. There is already a heavy demand for these as souvenirs, enclosure with greeting cards, and application to books or windshields, and it is hoped there will be sufficient of these left for summer carnivals.

Haliburton restaurants should be open at night

Well here we are at it again. We still can't understand why there isn't a restaurant or eating place open in the village of Haliburton in the evenings. Just try and buy a sandwich or a cup of coffee after 8 p.m. It's impossible. Here we are trying to bring visitors into town and when they do get here there's no place open to get anything to eat.

Following the Trappers' night held recently in the Legion Hall some of the visitors from other parts of the County were astounded when they found out that there wasn't a

restaurant open where they could take their friends for a lunch and coffee. It's sure a bad situation. It's got to the point that if we don't want business or visitors in this town we should come right out and say so and stop all this agony.

Some restaurant owners will tell you that there's not enough money in it if all the restaurants keep open at night. Well what's the answer. In our opinion why can't two or three of the local restaurant owners get together and try to stagger their nights when one restaurant could be open tonight and the other the following night. This seems to us to be the answer. At least let us have one eating place open for the local people and the visitors.

When people come into the community and can't get anything to eat they leave with a sour taste in their mouth and you can't blame them.

It's a bad situation.

Let us hope that in the not too distant future someone will come up with a solution and let us at least have one eating establishment stay open at nights. The sooner the better.

Back a fighter

Billy Lynch doesn't know how to quit. He's rough and tumble wrestler and plays with the mosquito division soccer league near his home in Belleville. And he's doing pretty well in Grade Five, Too. Not bad for an eleven year old? You bet.

Because Billy's had cerebral palsy since he was born. And in all that time, he's never given up. Maybe because you've helped him keep on fighting. Every year your donations help more than 13,000 crippled youngsters in Ontario hang in there. Kids with birth defects, cystic fibrosis, muscular dystrophy. Kids with artificial limbs and wheel chairs.

Your dollars build the facilities, buy the equipment, hire the nurses and therapists who teach these kids to make it on their own. I'm Whipper Billy Watson, and I know what it takes to be a fighter. These kids have got it. Guts. Determination. Spirit. But it takes money too.

Last year you helped us reach our objective of \$1,675,000. Now we need even more if kids like Billy are going to take another step. This year, back a Fighter with Easter Seals.

The Rotary clubs of both Minden and Haliburton have sent appeal letters out in the mail in the hopes that you will send in your donation in the pink envelopes. Both Rotary clubs have objectives to meet and they must have your support in this Easter Seal campaign which is now in progress. Think about it and get your donation in the mail to-day.

The Simple Thing In Life

Love is something we all need,
Not the cheating, nor the greed,
When people hurt or kill each other,
They don't know, it was their brother,
It's not too late for all to learn
That to love each other is our concern!

If we love God, the way we say,
Our world would be perfect, in every way,
The time is coming, when all see,
The way this world has to be.

If we could admit,
That we all are so small,
And follow God's word, which is for us all.

Richard Shaw

Pic of the Past

We had to go back to 1915 for this weeks Pic of the Past which shows the old bunkhouse where the men had their meals when the Standard Chemical was in operation at Donald. The two cooks are shown waiting for

the men to return from work to enjoy the wonderful meal laid out on the tables for them. Our thanks to Frank Hodgson of Haliburton for letting us use in this photo.

THE WORLD CAN
CRUMBLE IN A WEAK

BILL SMILEY

Just back on the job after a week in bed with the doctor, as the old gag has it. Actually, it was a particularly virulent flu I was in bed with. I was so sure I was going to die that I even cancelled my curling dates.

Still weak and shaky, but I'm glad I got back on my feet. When a guy is not on the job, even for a week, his whole world starts to crumble around him.

At school, my students, without my firm hand on the helm, were wallowing in a sea of silliness. They had discovered they could get away with murder with a substitute skipper, and I found it necessary to flog six of them at the mast and keelhaul a few more to get them herded back into the fo'c'sle.

They're reasonably subdued again, but there is still some friction. Because the sun is shining, and it's a few degrees above freezing outside, they want all the windows open. Because I still have a fever and don't want to be in a draught,

I want them closed. We compromised. We closed the windows and opened the door.

At home, things were in even a worse mess, when I struggled back to a modicum of health. My family had robbed me blind. Almost literally.

Daughter Kim was home for a visit with fat and saucy Nikov Shen. The visit coincided with her birthday. My wife, in a state of euphoria and grandmotherly gormlessness, gave Kim a cheque that made my eyes water, with real salt tears, when I heard the amount.

Kim escaped with the biggest ripoff of 1974 before I was strong enough to do anything about it.

When I was able to bellow outrage, my wife tried to soothe. "It's just to help the young folks out. After all, you can't take it with you."

My response: "Who the hell helped us out when we were the 'young folks'? What do you mean 'take it with you.' There won't be

anything left to take. Besides, I wasn't planning on going just yet, whatever the rest of you had planned for me."

That was bad enough. Worse to come. Son Hugh came home to see his beloved parents before embarking on a pilgrimage to Israel. Every time son Hugh comes home, I put both hands on my wallet and brace myself. He's always just 'a little short'. He's practising to be an extortionist, and promises to be one of the great ones.

Sure enough. He had saved enough for the return air fare, but needed some bread for eating and sleeping in the Holy Land. I almost said something blasphemous about what he could do with his pilgrimage, but bit my lip, reminded him of previous "loans", and told him I might as well take the money and throw it off the end of the dock as give it to him.

His logical reply was that there was still ice on the bay, so it would be a pointless gesture.

Left to chew on that, I regained my cool. I thought, "Well, I've given money to some pretty crazy causes in my day. I may as well subsidize this disciple as he walks in the steps of the Master, or whatever. He looks a bit Jewish with those dark eyes. Maybe he'll lose his papers, as he usually does, and the Israelis will draft him into the army for two years."

So I told him how much he could have, adding, "That's my first and final offer." He accepted with the equanimity for which he is noted. I retired to my sick bed.

Lying there in a fever, I thought I could hear his and his mother's voices going on and on, but I wasn't sure and was too sick to care.

Next morning I was told by my wife, with a certain uneasiness, that she had raised the ante a bit. "Just enough so the poor kid doesn't starve."

The "poor kid" is twenty-six, and with his

abilities as a con artist hasn't the remotest possibility of ever coming within hailing distance of starvation.

With real trepidation I enquired how much. I came very near to having a stroke when I learned she had almost doubled my bid, which I had thought was in trumps.

After years of paying interest and mortgages and banks, I had finally got clear, and even had a few bucks ahead. I was looking around for somewhere to invest it, with the hope that I might have a few dollars extra for the odd box of beer when I arrived at the bread-and-water existence level of the old age pension.

And there I was, wiped out, practically, in one weak week. Moral. Never have a joint account with your wife.

My only consolation was that if I'd invested in something, we'd have had an instant depression, and I'd have lost every nickel. That would be a sure thing, with my luck.

Along The Trails

Compiled by
Roy Bates

The Snowball Express Number Two, held in the Legion Hall, Haliburton March 16th was termed a very successful event. The floor was slightly less crowded than at the January dance, but everyone seemed to be thoroughly enjoying themselves, and there was a tidy profit for the Association. The excellent music was provided by Ray (Jenkins) and the Rhythm-Aires. Pat Hucal is to be congratulated for his organizational process and those members who helped him get our very sincere thanks.

Already we are thinking about some kind of midsummer snowmobile party and we are open to suggestions.

Winner of the snowmobile suit, helmet and boots was Bob Jennings of Sandy Lane Resort at Hall's Lake. We can't think of anyone more deserving of the prize as Bob was one of our more active members this year breaking and marking trails in his area and operating the grooming equipment.

Two weeks ago we thought the snowmobiling season was over. There was heavy rain, warm sun and everything else the weatherman could throw in to convince us that Spring had come. But it was all a false alarm. Some of the best snowmobiling of the Winter has been in the past ten days or so. We may even get to take that trip to Dwight yet. At time of writing the woods trails have plenty of snow and the lakes are still in excellent condition. But watch out for those inlets and outlets.

The current cold snap has been a boon to snowmobiling students, giving them a full week of fun during their winter break. We notice quite a number of families at their cottages and they too are on the go every day.

Rumour is rampant that the road ban, formerly expected to go into effect July 1975, will be brought down on us before next season. This means that many new trails must be found. There are as yet very few trails that you can ride without some use of roads, unless you are willing to transport your machine for some distance, or unless you are willing to wait until January for good ice conditions. Right now is a very good time for snowmobilers in every sector to get out and scout out these alternative routes, while there is still sufficient snow in the woods and the crust is good. It is also a very good time for cutting trails since the underbrush nips off easily in the frozen snow. Why not devote a little time now to your next year's pleasure? I suggest that you use some extra caution in the woods and watch out for old wire fences and of course the trees. We know a lady who a bloodied nose from getting too close to a tree.

It would also be a good idea to clear it with the property owner before you start clearing your trail.

Did you know that as recently as five years ago Quebec clubs were grooming snowmobile trails with old bedsprings and homemade devices? They've come a long way since then. So far in fact that Ontario is five years and 12,000 miles behind. Our only hope of catching up is to organize sufficient strength to demand the proper action from our Government.

We have encouraging news from Kennisis Lake. A new snowmobile club is in the process of forming there. We wish Mrs. Everett and her group every success and pledge such advice and assistance as we may give.

A word to all independent snowmobile clubs. The only way you can become recognized by the Provincial Government (for assistance that is coming) is to obtain a Provincial Charter or affiliate with an organization that is recognized.

Haliburton County Council meeting

County Council of the Provisional County of Haliburton assembled in the Council Chambers at 10.00 a.m., Wednesday, March 20th, 1974, with Warden Murray Fearrey in the Chair and all members present. THAT we approve the minutes of the meeting of February 20th, 1974, as printed and circulated. Carried.

In business arising from previous minutes the question of registration of the County Crest was raised. It was recommended that correspondence from the Court of the Lord Lyon, Edinburgh, be circulated and presented for decision at the April session.

Chairman of Finance, Reginald Booth, confirmed that all accounts had been scrutinized and discussed at an earlier meeting of the Finance Committee and were found to be in good order.

That we approve payment of accounts in the amount of \$35,385.41, representing cheques numbered 64 to 114 inclusive. Carried.

The Clerk read correspondence from Gulf Oil Canada Limited, Imperial Oil Limited, Texaco Canada Limited relative to the County recommendation that rail service be used whenever possible.

A letter was read from the District Municipality of Muskoka enquiring about any proposed plans relative to the wolf population, and reference was made to the Improvement District of Bicroft application for rezoning the area designated for a Community Centre.

That Council concur with the report of the Correspondence Committee. Carried.

The 1974 proposed budget was presented and circulated Budget Chairman S. G. Nesbitt reviewed in detail items included, pointing out that while the budget was increased from 1973, this was due to the amount assumed in the 1971 agreement for County Roads with annual increments and other increased commitments, but the general county spending had been

decreased.

Reeve G. Agnew spoke on the budgeted expense submitted by the Haliburton Kawartha Pine Ridge District Health Unit, explaining that cost sharing is increased because of the withdrawal of part of the Pine Ridge District into the Regional Municipality of Durham necessitating rearrangement of financing and withdrawal of subsidy support for the home nursing phase of Health Unit nursing duties. The Victorian Order of Nurses was requested by the Health Unit to consider this service with estimated costs.

That the grant of \$12,000.00 to the Chamber of Commerce be granted on the understanding that they receive no money from the government; and if any money be received from the government, that our grant be reduced by the same amount; and that a limit of \$6,000.00 of this grant be withheld until the Provincial Grant is ascertained. Carried.

Mr. Larry Perrott, Secretary-Manager of the Haliburton Highlands Chamber of Commerce, was congratulated by Reeve S. G. Nesbitt who predicted the Chamber

would move ahead under his efforts.

THAT By-law No. 894, having been read a First time, be considered read Second and Third time, passed, signed, and the Corporate Seal attached, being a by-law to authorize the Municipal Council of the Corporation of the Provisional County of Haliburton to enter into an agreement with the Canadian Imperial Bank of Commerce for the purpose of borrowing a sum

to be advanced to meet the cost of work in progress in the said County under the Highway Improvement Act during the year 1974-1975. Carried.

The Warden declared a ten-minute recess for discussion.

THAT By-law No. 895, having been read a First time, be considered read a Second and Third time

A point by point primer on how to lose your driver's licence.

It's actually quite simple.

All you do is accumulate fifteen demerit points and lose your licence for thirty days. Do it again and lose your licence for six months.

In this province, it definitely pays a driver to score a big fat zero. Ontario's demerit point system is designed to convince the poor driver to drive properly. Drivers who do not improve are then taken from the road because they're a menace to pedestrians and to other drivers.

But the system is not at all unjust. It's aimed at telling the driver where he's gone wrong and giving him plenty of time to correct his faults.

For instance. When you've accumulated six points, you'll be notified and urged to improve your driving.

When you've got nine, you'll probably be asked to attend a private interview and re-do your driving test.

At fifteen points, you'll lose your licence for thirty days and drop back to seven points. Get fifteen again and you won't drive for six months.

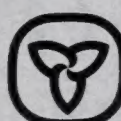

However, your record won't be

indelibly marked. If you drive for two years without a traffic conviction your points are erased and your slate is clean.

How Demerit Points Accumulate:

7 points	Failing to remain at scene of an accident (Highway Traffic Act).	
6 points	Careless driving. Racing.	Exceeding speed limit by 30 m.p.h. or more.
5 points	Driver of bus failing to stop at unprotected railway crossings.	
4 points	Exceeding the speed limit by 20 to 29 m.p.h. Failing to stop for school bus. Following too closely.	
3 points	Exceeding speed limit by 11 to 19 m.p.h. Driving through, around or under railway crossing barrier. Failing to yield right of way. Failing to obey a stop sign, signal light or railway crossing signal.	Failing to obey directions of police officer. Failing to report an accident to a police officer. Improper passing. Crowding driver's seat. Wrong way on one-way street or highway.
2 points	Failing to lower headlamp beam. Improper opening of vehicle door. Prohibited turns. Towing of persons on toboggans, bicycles, skis, etc. prohibited.	Failing to obey signs other than those mentioned above. Pedestrian cross-over. Failing to share road. Improper right turn. Improper left turn. Failing to signal. Unnecessary slow driving.

The whole point is to score nothing, keep your record clean and drive happily ever after.

IN THE MATTER OF THE MUNICIPAL ACT

AND IN THE MATTER OF A

PROPOSED BY-LAW

OF THE CORPORATION OF THE

TOWNSHIP OF STANHOPE

CONCESSIONS 2 AND 3, FOR

STOPPING UP AND CLOSING

PART OF THE ORIGINAL ALLOWANCE

FOR THE SAID TOWNSHIP OF STANHOPE,

AND EXCHANGE THE SAME FOR PART OF LOT 7,

CONCESSION 2, FOR THE TOWNSHIP OF STANHOPE

NOTICE IS HEREBY GIVEN, pursuant to Section 444 of the Municipal Act, R.S.O., 1970, that the Township Council of the Municipality of Stanhope proposes to consider and, if deemed advisable, to pass at its regular meeting to be held at the Council Chamber, Stanhope, Ontario on Wednesday, April the 3rd, 1974 at 2:00 p.m., a By-Law to Stop Up and Close the following:-

(a) That portion of the original road allowance between Lot 7, Concessions 2 and 3 for the Township of Stanhope, as described in Schedule "SUR A" as follows:-

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Township of Stanhope, in the Provisional County of Haliburton, and being composed of part of the Road Allowance between Concessions Two and Three in the said Township, which said parcel may be described as follows:

COMMENCING at the most Westerly angle of Lot 29 according to a plan registered in the Registry Office for the Registry Division of the Provisional County of Haliburton as Number 144;

THENCE North 63 degrees 57 minutes West along the production Northwesterly of the Southwesterly limit of said Lot 29, a distance of 90.37 feet more or less to its intersection with the Southerly limit of Lot 30 according to said plan 144;

THENCE North 69 degrees 08 minutes 20 seconds East along the Southerly limit of said Lot 30, being also the Northerly limit of the Road Allowance between Concessions Two and Three in the said Township, a distance of 223 feet more or less, to its intersection with the Westerly or Southwesterly limit of the 66-foot Allowance for Road along the Southwesterly shore of Boshkung Lake;

THENCE in a general Southeasterly direction along said inner limit of Road Allowance, a distance of 110 feet more or less to its intersection with the Southerly limit of the Road Allowance between Concessions 2 and 3 in the said Township, being also the Northerly limit of Lot 29 a foresaid;

THENCE South 69 degrees 08 minutes 20 seconds West along the Southerly limit of said Road Allowance, a distance of 226.38 feet more or less, to the point of commencement.

AND EXCHANGE the same for a Road Allowance 66 feet in width over Part of Lot 7, Concession 3, more particularly described in Schedule "NOR A" as follows:-

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Township of Stanhope, in the Provisional County of Haliburton, and being composed of the Westerly 66-feet in perpendicular width of Lot 63 according to a plan registered in the Registry Office for the Registry Division of the Provisional County of Haliburton as Number 144, which said parcel may be more particularly described as follows:

COMMENCING at the Southwest angle of said Lot 63;

THENCE North 69 degrees 08 minutes 20 seconds East along the Southerly limit of said Lot 63 a distance of 66.00 feet to a point therein being the Northwest angle of Lot 31 according to said plan 1144;

THENCE North 20 degrees 51 minutes 40 seconds West along the production Northerly of the Westerly limit of said Lot 31 a distance of 122 feet more or less, to its intersection with the Northerly limit of said Lot 63;

THENCE WESTERLY along the Northerly limit of said Lot 63 a distance of 67 feet more or less, to the Northwest angle of said Lot 63;

THENCE South 20 degrees 51 minutes 40 seconds East along the Westerly limit of said Lot 63 a distance of 132 feet more or less, to the point of commencement.

THE PURPOSE of closing the above-mentioned portion of the original road allowance between Lot 7, Concessions 2 and 3, for the Township of Stanhope is to permit the exchange of this land for an alternative road composed of part of Lot 7, Concession 3, for the said Township of Stanhope.

AND TAKE FURTHER NOTICE that before passing the said By-law at the Meeting to be held at the time and place above mentioned, the Township Council of the Municipality of Stanhope, shall then and there hear in person or by his Counsel, Solicitor or Agent, any person who claims that his land will be affected by the Said By-law and who applies to be heard.

Dated at MINDEN, this 26th day of February, 1974.

Shortage of facial tissue

There's a shortage of another kind which is going to make itself felt at the consumer level before very long.

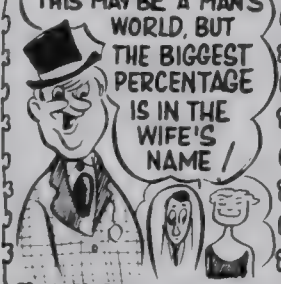

G. W. Martin of G. W. Martin Lumber Ltd., Harcourt, "said" Friday that a very acute shortage of newsprint and pulp tissue products is developing. The tissue products which he says are coming into short supply include such things as facial tissues, toilet paper, etc.

Mr. Martin predicts that some of the big mills will be shutting down temporarily because of an acute shortage or raw material — "there's just not enough to go around."

The lumberman made the observation while commenting on another aspect of the industry. Martin Lumber is currently in negotiation for expanded timber rights to accommodate a projected mill which would utilize low grade timber not being utilized by any other company at the present time. That, however, is a separate story and will be covered in detail as such.

ECONOMY IN GOOD SHAPE

Finance Minister John Turner told the House of Commons that Canada's economic record in 1973 out-ranks most countries in the world. The Gross National Product grew at a rate of 7.1%; 430,000 new jobs were created — 130,000 more than predicted in the last budget; unemployment declined to 5.6% as compared with 6.3% in 1972.

Exports, housing starts, business capital investment and consumer spending all showed substantial gains over 1972.

The minister said that "the Canadian economy today is the envy of the world."

COMPETITION POLICY

The federal government's competition legislation was reintroduced in the House of Commons by Consumer and Corporate Affairs Minister Herb Gray.

The bill would forbid misleading advertising and give consumers protection on guarantees and warranties.

BREAD PRICES

Following a request by Consumer and Corporate Affairs Minister Herb Gray, five bakery companies across the country have agreed to hold back on price increases on bread.

Steinberg's, Weston, Corporate Foods, A & P and Safeway will reduce their anticipated price increases on bread by 1-2 cents. This action is a direct result of a recommendation by the Food Prices Review Board.

MORE PEOPLE EMPLOYED

Statistics Canada reported that 25,000 more Canadians had jobs in February than a month ago.

The unemployment rate, seasonally adjusted, in February remained unchanged at 5.5% from January.

PENSIONS GO UP

Old-age pensions will increase from \$108.14 to \$110.09 for single persons and from \$216.28 to \$220.18 for marrieds. This will be their second quarterly increase since the federal government tied old-age pensions to changes in the cost of living.

LOCOMOTIVE SALE

Prime Minister Trudeau said in the House of Commons that the federal government will ensure that the sale of 25 locomotives to Cuba goes through. He will not allow U.S. laws to interfere.

"The Canadian government has the means to make sure that this kind of deal which is to the profit of Canadian companies does go through. We have the means to do it and we will exercise those means."

NEW IMMIGRATION RULES

Under changes to Canada's immigration regulations, prospective immigrants will be required to have either a firm job offer or a skill known to be in demand in the locality where they wish to settle.

The basic point system of evaluating immigrants will be maintained but increased emphasis will be placed on occupational demand.

Veterans Land Act Extension
GOVERNMENT ORDERS

[English]

BUSINESS OF SUPPLY

ALLOTTED DAY, S.O. 58—NON-CONFIDENCE MOTION—FAILURE OF GOVERNMENT TO EXTEND DEADLINE OF VETERANS LAND ACT

Mr. Jack Marshall (Humber-St. George's-St. Barbe) moved:

That this House regrets that the government has not extended the March 31, 1974 deadline under the Veterans Land Act and calls upon the government to consider taking immediate steps to extend this deadline.

Mr. W. C. Scott (Victoria-Haliburton). Mr. Speaker, I listened with great interest to the entire debate this afternoon on what we put forward as a very serious matter affecting a great many veterans in this country. We heard the hon. member for Winnipeg North Centre (Mr. Knowles) speak in favour of the veterans and this motion which he has moved many times before, and just now we heard the speech of the hon. member for York South (Mr. Lewis). Instead of taking the political course of criticizing the Conservative Party, the hon. member for York South should have asked the Minister of Veterans Affairs (Mr. MacDonald) to give us a commitment that he would introduce an amendment to extend the deadline of this legislation.

(2030)

The Minister of Veterans Affairs has made no commitment. Last Thursday, as mentioned by the hon. member for York South, the Minister of Veterans Affairs said emphatically—and it has been mentioned many times today in the House—that there would be no extension. Yet the hon. member for York South stands in his place and tries to criticize the Conservative Party. If he is sincere in his allegations, why did he not bring in an amendment to correct our motion which he says is not right? No, he just wants to play politics and keep the government in power. This matter is serious. I would call the performance we have seen "courtroom politics." I know there have been agreements and that bargains have been made, and that is why we heard the speech just made by the leader of the NDP.

Many things have concerned me for a good many years with respect to veterans who have applied for benefits under the Veterans Land Act. These veterans are probably working in the cities and in large metropolitan centres. Under the rules and regulations of the Veterans Land Act they have found it impossible to buy a house or to find a location of their choice on which to build a house, not through any fault of their own but because they are making their livelihood in the large cities of Canada. But today many of our veterans have reached the age when they can retire. I have letters here telling me that some of them have picked out locations in which to build a house in smaller communities. But what happens? One of these letters reads as follows:

I am writing you as our duly elected member of the federal government to find your views on the possibility of an extension of time from the deadline of March 31, 1974, to extend the Veterans Land Act closing date. Many veterans of the war have, for a variety of reasons, to this date not taken advantage of this form of gratuity for their service. In my own case I have not as yet taken this up. Now I wish to do this.

I have my letter of qualification from the DVA but as this must be exercised by March 31, 1974, this leaves me with a problem. I have no doubt there will be many veterans in a similar position. With the escalation of real estate prices it is almost impossible to acquire the added moneys beyond the maximum \$18,000.

This veteran says in closing:

I would appreciate hearing your views and intentions in this matter. I do not know if the closure or extension would require an act of parliament or would, like the old soldier, just quietly pass away—

This is something that is happening to far too many of our veterans today: we are forgetting about them and they are expected to just pass away. I have another letter from a chap who applied. He is qualified and has submitted the deed to VLA, but he cannot build the house in the very nice location of his choice because at present there are no sewers servicing the property. However, within two years there will be such services to this area. This is what we are denying our veterans by closing out on March 31, and that is why I beg the minister, who is a sane and reasonable man, to extend this deadline.

If the minister had today given the House his word that the deadline would be extended, not that he would take the matter up, I am sure a different course would have been taken in the House today. This is a serious matter. My friends to the left are trying to make us believe that we are just playing politics. That is not so. With very few days left, the veterans are duly concerned. And why should they not be concerned? For far too long we have neglected our veterans who have offered their lives so that we may have the freedom which we enjoy in this great country of ours. They did not ask us, "What will you give us when we join?" They did not ask us, "What have you to offer us?" They served hoping that they would come back with their lives. They were ready to lay down their lives in order to give us a better way of life in a free world.

All they asked was to be fortunate enough to come back; and they had faith in us to grant them some consideration for their services. They did not barter with us. They went, they offered their services and some of them lost their lives. The least we can do is to give them some consideration in return. I want to emphasize again that many thousands of veterans are planning their retirement and are begging for an extension of the Veterans Land Act. I hope an extension will come about.

signed and the Corporate Seal attached, being a by-law for the purpose of authorizing expropriation of property for road widening purposes on a County Road. Carried.

THAT By-law 893, having been read a First time, be considered read a Second and Third time, passed, signed and the Corporate Seal attached, being a by-law for the purpose of expropriating property adjoining County Road Number 2 by the Provisional County of Haliburton. Carried.

THAT the Ministry of Transportation and Communications be requested to exclude the following highways from its half-load restrictions:

Highway 648 from Harcourt west to 121 Junction, 121 Junction to Haliburton, Highway 503 from Tory Hill west to Kinmount. Resolution to be sent to Bancroft and Huntsville. Carried.

THAT By-law 899 having been read a First time, be considered read a Second and Third time, passed, signed, and the Corporate Seal attached, being a by-law for the purpose of appointing members to the Haliburton County Economic Development Commission. Carried.

Emergency Measures Organization representatives Douglas Russell and Douglas Pritchard reported on a

recent meeting of this committee, and expressed their desire to study and assess the use of equipment, and report to the April session of County Council for decision.

Miss E. L. Flaxman, Director of Public Health Nursing for the Haliburton Kawartha Pine Ridge District Health Unit, from Cobourg, and Miss F. Catherine Maddaford, Senior Regional Director of the Victorian Order of Nurses, from Toronto, attended Council to discuss the feasibility of the Victorian Order of Nurses assuming the visiting nursing services in Haliburton County, as previously provided by the Health Unit. Miss Maddaford made a presentation to Council and outlined considerations in detail. Mrs. Alta Whitfield, Chairman of the Peterborough Branch of the Victorian Order of Nurses, arrived during the presentation, and elaborated on the

proposed programme and answered questions from members of Council.

Health Unit Representative G. Agne replied to members about the extent of responsibilities of the Health Unit. The Warden declared a ten minute recess for discussion.

BE IT RESOLVED THAT County Council approved \$3000.00 allotted by the Budget Committee for the Victorian Order of Nurses service and that each municipality be requested to implement the Homemakers and Nurses Services Act. Carried.

Warden Murray Fearrey referred to members of council the submission previously received relative to promotion of extended rail service to the County. Council will review briefs and discuss this matter at April session of Council. The March session of County Council was adjourned at 3.45 p.m.

TODAY'S CHILD

THE TORONTO SUN SYNDICATE

BY HELEN ALLEN

NEEDS TIME TO TRUST

David often looks like this. When he is interested and enthusiastic, his blue eyes dance and his smile is wide and friendly. Just turned 8, David has strong reactions to everything, so he is either happily on top of the world or in the depths. He needs parents who are calm and consistent themselves and thus able to deal with David's ups and downs. David is doing well in school, working in Grades 2 and 3. Tests indicate that he is of average intelligence but he seems to be above average. He is alert and observant and a good conversationalist on many topics. David enjoys reading and likes table games and puzzles. He is fond of drawing and crafts. Cooking is one of his hobbies. Sports of all kinds, with a special preference for soccer, appeal to this healthy, active boy. He loves camping. David gets on best in a well-ordered life with regular routines so he knows what is going on and where he fits in. He needs a family where there are no children close to him in age. He will be a fine son for a mother and father who will share his interests and offer him stimulation as well as love and who will be understanding of his changing moods. To inquire about adopting David, please write to Today's Child, Ministry of Community and Social Services, Box 888, Station K, Toronto M4P 2H2. For general adoption information, please contact your local Children's Aid Society.

Gems of Truth

WE SHALL WE BELIEVE?

With the many voices clamouring for attention and all claiming to have the truth, it is not the easiest thing to decide which one to believe unless we have a reliable criterion or guide. Here is where we owe a debt of thanks to Thomas (one of the twelve disciples) for asking the question of John 14:5 "How can we know the way?" The reply to his query is noteworthy and far reaching as it is so essential to the Christians assurance of salvation. Furthermore, Philip, of the same group, also made a frank request which brought forth the searching question, "Have I been so long time with you, and yet hast thou not known me, Philip?"

Multitudes are just like him, they have been living in a land where the Word of God has always been readily available and yet they know of Jesus only in name. The religious as well as others who reject Jesus Christ as the only Way to God, have no access to God, no true and saving knowledge of God and no eternal life. Jesus is not only the Way to God but the Truth of God and the Life of God. Surely He must be deeply grieved at the rejection by so many of the simple truth on how to become a Christian. The Bible is plain and understandable to all who take God at His Word, no other help is needed. In fact many other writings hinder because they are of man.

All those who claim to be seekers of truth can end their search by the acceptance of the Bible way of complete trust in the Eternal Son who alone can say that He is the Truth. Pilate looked Him in the face and yet asked "What is truth?" He failed to Find Him, even when he had been told that everyone that is of the truth heareth my voice. John 18:37b.

SCRIPTURE MEDITATION:

Jesus saith unto him, I am the Way, the Truth and the Life, no man cometh unto the Father but by Me. John 14:6

FOOD FOR THOUGHT: The right way leads to the right place.

News from Tory Hill

Mrs. Pauline Hubbard of Toronto and Mr. and Mrs. Tom Wilson of St. Catharines were at their summer home over the weekend.

Mr. and Mrs. Clayton Gill, Mr. Ray Riel, Ron Riel and Pat Hogan all of Lindsay were back for the snowmobile races at Gooderham.

Congratulations to Mr. and Mrs. Walter Riel on the arrival of their seventh grandchild a little boy for Ronnie and Pearl of Lindsay, a little brother for Ronda.

Miss Nancy Anderson has returned from Newmarket where she spent the week's holiday with her brother Howard and sister-in-law Suzanne.

Mr. and Mrs. Roy Robertson and grandson and wife from Head Lake visited her sister Mrs. Lola McColl last week.

Miss Carolyn Stump visited with her brother Terry and sister-in-law Linda during the winter break.

Glad to hear the Frankwell house has been sold. It will be nice to have new neighbours in the village.

We also hear there will be

a young couple moving into Finlay's Apartment.

The card games are attracting a good crowd each week and everyone seems to have a good time.

Kay Finlay, Lee and Sean took a trip north and east to visit friends during the school break.

Many happy returns to Mrs. Lola McColl on her birthday celebrated last week.

Mr. and Mrs. Frank Donnelly of Scarborough spent a few days at their cottage. They were very pleased with the condition of the road at this time of year.

Hall's Lake News

by Doreen Stinson

Mrs. Mary Oliver and Mrs. Jean Wheeler visited Mrs. Dave Harrison and Mrs. Howard Walker recently.

Mr. Albert Hart has returned from his visit with his folks in Etobicoke.

Miss Bonnie Stinson spent last week end here at the lake. Driving back to Mount Forest on Sunday afternoon she reported the 400 being blustery.

Several people from Hall's Lake attended the annual St. Patrick's party at the Hyland Crest Home, Saturday evening. Mr. Hart played throughout the evening many old favourite Irish songs on the piano. Miss Lesley Freeman favoured us with "The Irish Boy" piano solo, and she accompanied her eight-year old sister Mary as she sang two pieces for us. Another little sister, Wendy, accompanied them to the party as well as Ken. Stouffer. Mr. Frank McIntyre had been laid up with the flu all week so was unable to be there.

The Rev. Andrew Hutchison had three altar boys with him at the communion service the Sunday following his return from the holy land, at St. Stephen's Church. He had brought back some head apparel worn by the natives which were nicely modelled and described. Enlarged pictures of the area he visited were passed around the congregation also as he described his experiences there.

This being school holiday week many families have arrived at their cottages and are quite pleased with the condition of the lake for skating and snowmachines. Ice huts are still on our lake and a few are still catching fish.

Mrs. Marge Ferguson had her brother-in-law visiting

her recently from Trenton.

Mr. Bill Scott, M.P.P. and his wife from Kinmount attended the party at the home on Saturday and assisted the president, Mr. Norman Gilmore and Mr. Max Archer give out the prizes. Special thanks to the stores and individuals who donated prizes so that the person with the high score at each table received one. The craft shop at the home also made donated several prizes.

Mrs. Easton and Mrs. Margaret Austin received prizes for being the eldest residents present. Mrs. May MacArthur and Mrs. Sandra Johnson received presents for having St. Patrick's birthdays. Guests who played or sang for us also received token gifts.

Mr. and Mrs. Lloyd Ackerblade's little son was baptized at St. Stephen's church at the 3.30 service on Sunday.

The sympathy of the community goes out to Della Johnson. Her husband, Ken, passed away Sunday in the Minden Red Cross Hospital. Ken's heart has been giving him trouble for a year or so. He was a great neighbour and a real worker in Club 35, and will be sadly missed by all who knew him.

Miss Joyce Crowther and

Miss Edna Kennevley visited at the home of Mrs. Mary Oliver over the week-end.

Mr. and Mrs. Leonard Rose and Family of Windsor, visited with Mrs. Jean Wheeler during the school holiday week.

Tom Montgomery and his cousin Colleen have been taking ski instructions at Tally-Ho during the school break.

Mr. and Mrs. Ernie Hamilton and family from Fonthill were at their cottage on Kushog Lake over the holiday.

Mr. Tom Gardiner, Mrs. Edith Russell's grandson,

enjoyed a visit to Spain recently. He certainly thought it a wonderful experience but found the lack of understanding the language quite a handicap.

Mrs. Elgin Stouffer's recent trip to Rome, Italy, was a worthwhile one but rather exhausting as they were up early and late going on special tours to see as much as they could in the week. She thrilled at the beautiful buildings and scenery everywhere.

It is hard to believe it is spring when we look at the temperature and piles of snow still around.

Stanhope Township Meeting

Con't from page 17

totally responsible as the result of an error for outstanding taxes on property described in Roll No. 05002001000 for years 1971 and 1972 and therefore request reimbursement for same. Carried.

Moved by Jim Harrison, seconded by Elvin Johnson. Be it resolved the Corporation of the Township of Stanhope proposes to expend \$15,429. for construction of roads and bridges and \$42,857. for maintenance of roads and bridges in the year 1974, under the conditions and regulations of the Highway Improvement Act.
